

Student Vehicle Permit Application Process

Moodle course information system

First, log in to the Moodle system. Then, watch the current academic year's Traffic Safety Training video on the Moodle course information system and pass the Traffic Safety Training test on Moodle.

NCNU School Information System (iNCNU)

First, log in to the iNCNU system. Then, enter your vehicle information and upload clear and readable photos of the following documents for review:

- Your driver's license
- Vehicle registration certificate
- Compulsory automobile liability insurance certificate.

Pay the Vehicle Management Fee

You can make the payment at the automatic payment machine on the first floor of the Administration Building.

When you leave this office, turn right and walk straight ahead. You will see the elevators on your left, and the automatic payment machine is located directly across from them.

- Payment made on or before January 31:
Motorcycle: NT\$300 、 Car: NT\$700
- Payment made on or after February 1:
Motorcycle: NT\$150 、 Car: NT\$350
